There is more to love than a heart full of scars. There is more than forgetting the right to live a life of free choice. A friendship is a person with whom I may be sincere. Before Him I may think a loud

Elise Danco

There are places I'll remember all my life. Though some have changed, some forever. Some for better, some are gone and some remain. All these places have their moments, with lovers and friends I still recall, in my life I've loved them all.

John Davis

You have to learn to pace yourself, pressure! You just like everybody else, pressure! You will only have to run so far so good but you will come to a place where the only thing you'll

feel R loaded guns in you face & you'll have to deal w/ pressure!

Ronald Davis

Crazio "Raz" Guevara

You try to live up to what others believe, till you conquer your fears and find just what you need. You set your ideals with the truth that you see. Nothing ruins out the same as you thought it would be.

Steven Guida

I still haven't found what I'm looking for. We need new dreams tonight. U2 It's a big enough umbrella, but it's always me that ends up getting wet. The Police Time has nothing to do with infinity and jelly doughnuts. Thomas Sullivan Magnum
